A screenshot of a web browser window displaying a "Student Registration Form". The browser's address bar shows the URL "127.0.0.1:5500/practic/studentform.html". The form is centered on a light purple background and contains the following fields: "Full Name" (text input), "Email" (text input), "Phone Number" (text input), "Date of Birth" (text input with a calendar icon), "Gender" (dropdown menu with "Select" as the current option), and "Address" (text input). A blue "Register" button is located at the bottom of the form. In the bottom right corner of the browser window, there is a watermark that reads "Activate Windows Go to Settings to activate Windows." The Windows taskbar is visible at the very bottom of the image, showing various application icons and the system clock indicating 9:50 AM on 02/11/2023.
